

THESE PROPERTY OWNERS GOT AN EXTRA \$51,773 IN THEIR POCKET AND THEIR SUMMER OFF!

See how a property management company can help you!

The owner had been managing their properties for years but wanted a break from the day to day managing — the emails, the messages, etc.

FOLD

They listed their properties, which are two cute cottages on the same property, with The Simple Life Hospitality and here are the results:

.....
Revenue when owners self managed: **\$18,338**

Revenue when The Simple Life Hospitality Managed: **\$93,482**

After commission: **\$70,111**

Total Difference: \$51,773!
